Tanveer Razaq

HTML/PHP/ReactJs Programmer with Extensive Experience in Troubleshooting

I am driven by a deep passion for coding, compiling, and troubleshooting. Over the past 8+ years, I've collaborated with 100+ clients to build their online presence from the ground up. This includes solving countless design and coding challenges while guiding them to create website experiences that strengthen authority, enhance brand recognition, and deliver real value.

I am committed to continuous learning, constantly acquiring new skills and the latest coding techniques to stay ahead in a competitive field. My ideal role challenges me to push my coding expertise to the limit, allowing me to dive deep into complex code structures to find innovative solutions that are otherwise hard to uncover.
